Commissioner for Patents

On 07 September 2004, George Brieger (Reg. 52,652) telephoned the Examiner, indicating that the reference, "Netscape Communicator Open Source Code White Paper" (1998), referred to as "White98" in the Office action mailed 13 August 2004, and relied upon in the rejection of claims 1-2, was neither cited on a form PTO-892 nor was a copy provided with the mailed Office action. Upon further review, the Examiner acknowledged these omissions and indicated that a copy of the omitted document would be provided, and the period for response would be restarted to begin with the mailing date of this correspondence.
